## Greetings from The Grapevine:

“O give thanks unto the LORD; call upon his name: make known his deeds among the people.” Psalm 105:1

In an effort to make His deeds known, let me tell you that the past few months have been very eventful and historical here at the Vineyard. His work is so amazing.

O, where to start? Let's cover this in chronological order. As most of you know, we dedicated the new Snead Conference Lodge on May 31<sup>st</sup> and opened its doors for use. It has been such a blessing having the new facility. We now have a much better place to minister to adults and couples in particular. Thank you to all who have given and worked to make the lodge a reality.

Next, let me report a record summer. Besides being very busy, we know of 92 salvations here this summer! That brings the year-to-date total to 127 salvations. Praise God for such a blessed harvest and reconfirmation that He is still at work at your Vineyard. We also have 332 guests so far who have rededicated their lives to God while here. We are very excited about what the Lord has and is doing here!

The next piece of historical news to report is what is happening even as I write this. We are in the process of wrapping up the purchase of the next door neighbor's house and property. We had really good neighbors and hated to see them leave, but we couldn't talk them into staying. So, the log cabin home and 10 acres that are on the left just before you get to The Vineyard front gate will be Vineyard property by the time you read this newsletter. We have seen such a great outpouring of our churches which has enabled us to make this purchase. A great big thanks to all the churches that took up offerings and, in particular, to New Home Baptist for seeing us all the way to the finish line (offerings still to be received will be applied to the debt on Snead Lodge.) So now The Vineyard is about 104 acres in size. The Lord is really blessing us.

Thank you to all the folks who have given, prayed, and worked to make all this and much more come to pass.

With much gratitude,  
Steve

P.S. If anyone is upgrading refrigerators and would like to donate your old one, please let me know. We are currently in need of one.
