A Visit With Dr. John

The first annual Southeast Alabama area youth camp is now history. There were some really good workers from other counties. In fact, the leader was from Barbour County. Of course, we had some amazing workers from right here.

I was there for a little bit every day. In my visits and in my talks with people, I was encouraged. Not a single negative comment has come to me about the camp.

Lots of good comments have been forthcoming. The workers used words like "awesome," "inspiring," "fulfilling," and "worth all the work!" They even set the first meeting for next year for August 4! They will not be rested up before they start planning for next year. I'm so glad they see the value in what they're doing.

Rodger Hall, leader of Faith Riders for the state, was there and impressed. He called me on Wednesday after the service they participated in on Tuesday evening. He said he and the faith riders felt honored, privileged, and blessed to be a part of this effort.

In one service, all the youth were down front, at the foot of the band. They were singing joyfully and loud, worshiping and praising God. The leader asked, are you ready to do this again next year? An enthusiastic yes rang out from the whole crowd.

While I was visiting Faith Church last night, four teenage boys were telling the rest of the group how much they enjoyed it and how they wished that every youth at Faith could've been there. That touched me!

Let me say again how much I appreciate all the workers who participated in this time of discipleship and evangelism. Also, I am thankful for the churches and leaders who trusted us with their young people. I hope that you will plan now to involve your children and youth in these camps next summer!

Sunday school leader training is coming up August 18. Let me urge you to enlist your workers to take part. It will be held at Ino church and is sponsored in part through our association and the Alabama Baptist State convention. The State Board of missions gathers some of the best teachers available to lead us.

The prayer walk of schools is August 22. There has been great response to this for the past few years. The WMU is anticipating even greater response this year. You know we need to be praying for our children in school, along with their teachers, administrative staff, bus drivers, and all other workers. Bring your children, as well as all interested adults, to pray at any school in the county. Leaders will be in place everywhere.

Offerings from the churches for the new property/debt at the Vineyard has been astonishing! Thank you for your generosity and your partnership in the Lord's work at the Vineyard.

May our Lord richly bless you.

Calendar of Events

August

02 - Social Issues Sunday
06 - Vineyard workday 8 a.m. Meeting 3 p.m.
22 - Prayerwalk begins at 9:00 a.m.
