A Visit With Dr. John

When you read this, it will be less than two weeks til the annual meeting. It is good to note that we have had some wonderful things happen this year. We want to give thanks to our good Lord from whom all blessings flow. It also is good to recognize that lots of our people have had a hand in these accomplishments. Some points of progress will be highlighted at this meeting.

The second session of this semester's Samford Extension begins October 19 and ends December 7. I will be teaching a class about what Baptists believe. I would love to see some Pastors and Laymen involved in the study. It is certificate level work and only costs \$50 per semester. If you or someone you know could benefit from this class, let me urge you to participate.

The monthly Ministers' meeting will be at the Association office on October 22. We begin at 10 a.m. and will be studying second Corinthians. That will be the January Bible study. It's good to have a preview and a refresher about these Bible book studies.

The Bi-Vocational ministers will meet October 27, 6:30 p.m.. This is a good time to have small group discussion with the DOM about things happening in your church. Sometimes, getting another perspective is a great help. We do not want our pastors to feel that they are all alone, without peers and leaders.

The Senior Adult luncheon is at Hillcrest on the 27th. I'm sure the fellowship, the food, and the program will be worthy. If you are a Senior Adult, and you have not been attending, let me encourage you to try this.

The annual Minister/Spouse/Staff banquet will be held at Open Door again at 6:30 p.m. on October 29. Brother John McCrummen and the Open Door Church go far beyond what is expected as they host this for us every year. It is not every day that someone tries to do something significant for church leaders. This is one time they do.

The World Day of Prayer, sponsored by the WMU, is November 2, 6:30 p.m., at Lee Street Church. Yes, you can pray at home, but there is something extraordinary about uniting in prayer with people all over the world on one day.

Disaster Relief training will be held at Hillcrest November 6 beginning at 3 p.m. The hands on chainsaw training will be at the Vineyard at 6 a.m. on Saturday. This training is sponsored by the Alabama Baptist State Board of Missions. You can register online www.alsbom.org (click on Disaster Relief.) I hope people from Coffee Association respond well to this call for training.
