### A Note from Dr. John

The annual Law Enforcement Banquet is February 16. This event has been held for so long, it is expected and anticipated. Last year, about 140 people made reservations.

The meal and program are a small way to say Thank You to the men and women who serve and protect us. The effort is sponsored by Coffee Baptist men. Bro. Kris Mullis, pastor at First Baptist Church, Elba, is Director.

It is already time to be planning and enlisting help for VBS. The Early Bird Clinic for Directors and Pastors is February 25. Our county VBS team will receive state training and they will train all our workers March 23. Carol Young is director.

Please take advantage of this training. As you know, VBS is our most effective means of outreach. Yours will be the most productive with good planning, training, and preparation.
