A Visit with Dr. John

Incredicamp is July 9-11. It is for children grades 1-6. Most of you will get this newsletter on the 11th. It will be too late to do anything but pray for the closing day of the camp.

The camp is full again this year. You need to know that the Children's Committee sees this gathering as a ministry opportunity and works throughout the year to make it a great event. Many other people join in to help, but the members are Lester (chair) and Vicky Rachel, Denice Tipton, Brad and Emily Boykin, Garrett and Erica Keller. We owe them a debt of gratitude for their good and conscientious work.

The Disaster Relief Committee still is raising funds to equip the disaster relief trailer. If your men's group, or other church group, would like to help sponsor this, please contact Mike Dickerson, Director, or Randolph Hudson. You who want to, can contribute personally, even if your church group does not want to participate. There will be several thousand dollars worth of equipment in the trailer.

The Association Mission Team had a very good week in Pensacola. I appreciate Dr. Danny Wiggins leading. There were a lot of loving, dedicated people who went to minister and to share their faith in Christ.

A group of young adults from the Church on Boll Weevil Circle, along with a few others, did a mission trip to Mobile for the purpose of keeping the continuity with ministry partners there. I received a glowing report from their leaders.

The Senior Adult Luncheon is July 24. Elaine Norris and her committee do a lot to make sure the food and the program will be good. It provides an excellent opportunity to see old friends and make new ones. I like the fact that it encourages fellowship between the churches. If you or your senior adult group have not been going, please consider attending this one!

The Nominating Committee and Committee on Committees have been working. They pray about and deliberate before they ask people to serve. It is an honor to serve on an associational committee. Please consider it prayerfully if someone on the committee asks you.
