A Note from Dr. John

We publish the list of church gifts to the association to make it easy for each church to hold us accountable. Also, a detailed financial statement is available at every Executive Committee meeting so all pastors and one lay person from each church can make sure the money goes to where it is allotted. All messengers to the annual meeting may vote on the budget presented by the stewardship committee.

All the people who work for your association like this accountability. We are proud to show what the association is doing. We believe that church members who are aware of what all of our churches do together through Coffee Baptist Association will be happy with what they know.

We had a great Sunday School Conference, September 8. I heard lots of people talk about how helpful the teachers were.

Training leaders is a necessity for having a vibrant, productive church. The training provided through the partnership with the association and the state convention makes this big task so simple. All a pastor had to do is promote and enlist his workers to attend. Westside and County Line both brought 12. Newbia brought as many people as they have workers! That didn't happen by accident.

Jamie Baldwin, State missionary with the Sunday School department, said we had lots more present than he expected. It was a well attended meeting. The problem is: I know lots of workers, not present, who would have become better teachers and leaders with training.

Thanks to First Baptist Church Enterprise for hosting. Thanks to Wayne Russell, our Sunday School Director, for leading and planning.

Please enlist a great number of folk from your church to attend the annual meeting October 15!

Remember to elect messengers.

Congratulations
