A Visit with Dr. John.....

The Deacon Family Cookout is April 18 at the Vineyard. Sponsored by the pastoral ministries committee, this cookout is an effort to say thanks to deacons and their families and to help them get to know the leaders of the other churches. I appreciate Bro. Nate Sims and this committee for doing something for our deacons.

The spring boys campout is April 24 and 25. My prayer is that the men of our churches will use this time to bond with and teach the boys in their churches and communities. So many boys have no father figure in their home. This is a way a man can do very little, yet make a large impact in the life of a child.

The VBS training for your teachers and directors is May 5 at Hillcrest. Annette Whitton has pulled together some good teachers so your leaders can get helpful training. This clinic is later than usual this year because so many of our churches appoint their teachers closer to the actual event. Please enlist your workers to come to this training to make your VBS is the best it can be.

The GA Camp is May 15-16. Debra Carnley always does a good job heading this up. Let me urge your church to sponsor your girls to come to this event as a group.

I hope you plan to come to the dedication of Snead Lodge May 31. This will be a significant milestone in the history of Coffee Baptist Association.

The most popular mission trip we sponsor every year is the one to Southwest Alabama. It takes place June 20 through 26. We will be working with the Indian churches and inner-city children. Dr. Danny Wiggins has been leading this for 14 years. It has a good mix of evangelism/ministry, worship, and fun. You need to call Danny quickly if you want to be a part of this.

As I close, let me say once again that I am grateful to be a part of Coffee Association. I appreciate the privilege of being able to work alongside you and in partnership with our great God. I am amazed at how God has blessed us! May we honor Him and inspire others to follow Christ!
