A Visit With Dr. John

The annual WMU prayer walk of schools is this month. Let me urge all our pastors and church members to be a part of this emphasis. Of course, we need to be praying for schools, children, teachers, and administrators all year, but it surely is an encouraging thing to see hundreds of people gathered for this purpose. Thanks to Peggy Stroud and the entire WMU council for pulling this together.

Training for Sunday school teachers and leaders, as well as Discipleship Training leaders, will take place August 30th at Ino Church. I'm thankful for Ino hosting this, for Randy Walker, Association Sunday school director, scheduling it, and for leaders assigned by our state convention. We will have some of the best teachers in the state direct this conference. I urge pastors and Sunday school directors to enlist your workers and bring them to this training.

We will have a Single Adult Luncheon September 11, at 12:30, at FBC, Enterprise. Joe McKeever will address the group. I appreciate Carol Lee for planning these events for Single Adults.

The Myers – Mallory State Missions Offering Week Of Prayer Is September 11 through 18. This is a new take on what we had known as the Kathleen Malory Mission Offering. Now it will provide support for WMU, Disaster Relief, and other needs. I hope you will give primary emphasis to this offering, just like you do the Lottie Moon Christmas offering and the Annie Armstrong offering for North American missions.

May our Lord bless you and your church as you embark upon the great adventure of a new church year!

Attention Church Clerks or person responsible for completing the Annual Church Profile

The Annual Church Profile was mailed Monday, August 01, 2016. Please look through the entire packet and complete all the forms that need to be filled out.

This is the only way we as an association and also the Alabama Baptist State Board of Missions have of getting needed information about your church.

The information we receive proves to be helpful in many ways throughout the year. Your leadership information and statistical information is listed in our Association Annual at the end of the physical year also.

If you have questions, please call our office at 894-6411.
