A Visit With Dr. John.....

Thank you to Brother Leon Adams and the people of Park Avenue Church for hosting the deacon training event last week. You were excellent hosts! Not nearly enough deacons availed themselves to the wisdom of our state leader, but I'm thankful for the ones who did. Thanks too, to Brother Nate and the pastoral ministries committee for sponsoring this event.

This summer will be the first time our youth camp has had essential input from the other counties in Southeast Alabama. Five association missionaries have been part of the planning. Two others say they want to be involved. A little over two dozen people have been trying to plan this to be a real area camp. I am excited that our sister associations are wanting to be a part of this good work.

Right now is the time for your youth worker to be a part of this leadership team. It's also time for your church to be encouraging youth to plan to be at the camp for them this summer.

The focus of the camp will be basic gospel: coming to know Jesus as Savior and Lord, then basic ideas of the Christian life. I believe it will be worthwhile. It will be a good evangelism encounter for youth who have not yet trusted Christ. I believe it will be an inspiration to those who have.

Please call me if you want to work in this camp or if you need information.

Part-Time Help Needed

Please share this information with your church and others you think may be interested.

The Personnel Committee is accepting resumes for a part-time secretarial position at the association office. It will require at least 16 hours of work per week. Applicant will be responsible for bookkeeping, modern media, and other office concerns. Therefore, it is imperative that a person be willing to learn these jobs. Having familiarity with computers, Quick Books, and social media is a plus.

Since the association is the connecting link for 49 churches, this person will need to relate to people well, being polite and friendly. Being a part of one of our churches will help their understanding of the function and routine of the association office.
