### A Visit with Dr. John

Disaster Relief training will be provided for people in our association March 9-10 at the Vineyard. I am thankful for Brother Mike Dickerson and the Disaster Relief Committee as well as the DR teams.

People in your church will want to volunteer when disaster strikes. They need to be trained and have official identification in order to be able to help. Please announce the upcoming training in your church so that people who do not read the newsletter will be aware that training is being provided. Also, please help them know of its importance.

In the last few weeks we have had several association events. I appreciate the members who prioritize their Executive Committee responsibilities, as they meet every other month. John Logsdon provides training for Men's Ministries every month. I'm grateful to James Preachers for leading the Samford Extension. Elaine Norris and Senior Adult committee always do a great job with Senior Adults. Sam Self and the Pastoral Ministries Committee provided good training for Deacons. Basin Church provided a wonderful meal. The Vineyard Committee and those who share in the monthly workday help the Vineyard to be better than it has ever been. Melonee Blair, and the many people who assist her, provided an outstanding banquet and program for Widows. Brother Fred Fowler helped us to have a great Inter-Baptist Luncheon with guests from different races and cultural backgrounds. People like this do so many things for us in Coffee Baptist life.

Upon the recommendation of the Vineyard Committee, the Executive Committee approved a request to ask the churches of Coffee Baptist Association to receive an offering to retire the \$90,000 debt against Snead Lodge.

As you know, the Vineyard has been very instrumental in Evangelism and in Discipleship efforts. This is a worthy cause. Please provide an opportunity for the people of your congregation to respond with an offering as they feel led by the Lord.
