A Visit With Dr. John.....

Dr. James Newell, of the Baptist College of Florida, will be with us February 26 at the regular ministers' meeting. He will talk to us about what it is to be holy, which is the emphasis of this year's doctrinal study. Dr. Newell is an authoritative teacher because of his commitment to Christ, his ability, and his training.

Essential ideas of holiness come from the Old Testament. Since Dr. Newell's area of expertise is Old Testament, he can open up this subject for those who have not studied it, and refresh those who are well-versed.

This is a time for pastors to study and to fellowship. Ministerial associates will find this meeting helpful. I encourage our ministers to take part. It's a good thing to meet and fellowship with your peers and partners in ministry.

The Heroes' Banquet is coming up March 19. We use this as a time to honor and thank law enforcement personnel and other first responders. If you are one of these, we hope you will come. If you know any folk like I'm talking about, encourage them to come. Please help us to enlist these public servants for this special time designed for them.
