A Visit with Dr. John.....

I was just looking at the picture of all the girls who went to GA camp. It is a good looking group. I am thankful for everyone who came to learn more about God and God's mission for the Church. They do learn a lot about missions at GA camp.

Debra Carnley leads this camp. I don't believe there's a better leader in the state for this than Debra. I appreciate her and all the other helpers. So much goes into making one of these camps a successful one.

It troubles me that more of our churches did not see the need for their girls to be at this camp. Besides what they learn about God and mission work, they have opportunity to make new and lifelong friends. It also provides the chance for children's workers to bond with these children that can never happen just with regular classes at church.

John Logsdon told me that he was pleased with the way the RA camp turned out. A couple of the boys and the leaders told me it was an extremely good camp.

The Alabama Baptist State Convention will be hosting two RA camps at the Vineyard in June. These camps will offer excellent leadership, lots of fun, and spiritual enrichment.

Our children's camp leaders are looking forward to another banner year. Steve said they prepared meals for over 240 people at last year's camp. We had to turn people away last year. Leaders are beginning to see how valuable an experience this is. The church I serve will pay the cost for anyone connected with our group. We believe it's that important. I'm thankful for Bro. Tim Bradley and the rest of the committee and other workers who help make this camp succeed..

The Southeast Alabama Youth Camp begins July 19. This is the first year other associations had wanted to be in on the planning of this camp. The leader is Gary Fleming, a pastor from Eufaula. Leaders have been in on the meetings from Barbour County, Pike County, Dale County, Coffee County, Covington County, and Geneva County. This can be a really good four day experience for our youth. The emphasis has to do with the basic gospel message about forgiveness through Jesus Christ and about the essential things of living the Christian life. This is a great way to offer something for your youth without having to be responsible for every little thing .

Once again, I'm thankful for all the people who have led camps just recently and for the ones who are involved in the process right now . Besides serving our churches and the children and youth involved in them, these camps have a possibility of increasing our ministry and outreach beyond anything we have known before. I hope you take advantage of them and to link arms with these who are leading in working. Help us to make them better!
