A Note from Dr. John

Many of you will be giving to help with relief efforts in Haiti. There are lots of good channels to do this. Our State Baptist Convention is receiving monetary gifts and forwarding them to the Florida State Convention.

The reason for this is that the Florida Baptists have been working closely with folk in Haiti. They have a strong connection and network to give help to the people.

Sending money through our state convention helps us know what we have done as far as facts and figures are concerned.

Using this channel for giving lets us be assured that all the money will be spent directly for its intended purpose. Administrative costs are absorbed by the existing offices, entities and workers already in place.

Let us continue to pray for these people in need and the workers who give support and aid. Also, let's open our pocketbooks as well as our hearts.

Groundbreaking at Mt. Pleasant

February 07, 2010

11:00 a.m.

Mt. Pleasant would like to invite all of its members, former members and friends to a groundbreaking ceremony and lunch following the morning worship. Under the leadership of the Lord, we have begun the process of adding educational space to our current property. This is a very special time in the life of our church, so we would like for you to be a part of it. Certainly, pray for us, and if the Lord so leads, you can give to the special offering we will be taking that day. Please make plans to join us for our worship service, or after your church gets out, to celebrate what God is doing at Mt. Pleasant.

For His Glory,

Steve Bruce
